EXPERIENCE

Tank Design · Cambridge MA · Jan 2017 - Sept 2017
WEB DEVELOPMENT INTERN
Created a Drupal human resources portal that hosts documents for over 100 employees of Samuels & Associates. Built a system of responsive SVG icons for FedEx internal developers. Developed components for the TEDxCambridge website and brand redesign including an animated "About Us" presentation page.

Soli · Boston MA · Oct 2016 - Feb 2017
UI DESIGN LEAD
Redesigned and developed the landing page and additional marketing pages with WordPress for an early stage shopping rewards platform. Created an early access sign-up system by integrating MailChimp to collect leads.

Northeastern University Fitness · Oct 2015 - Sept 2016
GRAPHIC DESIGNER
Updated and replaced existing signage throughout Northeastern recreational facilities, creating uniform branding consistent with that of the University. Produced logos, posters, and other print media for training classes and policies.
